ACTIVITY SCHEDULE - OVERALL NOTES

Open Programs:	It is encouraged for Scouts to leave an hour during the day of open time to enjoy the numerous open programs offered. The majority of open programs occur from 4:00pm - 5:00pm and in the evenings. Open programming does not require prior sign-up. A Scout can simply show-up at a program area when they would like to participate in an open program. Expanded open program opportunities in the evenings are also offered in addition to afternoons.
Age Restrictions:	Some programs have required age minimums and some programs have recommended age minimums. The purpose of age restrictions varies from program to program. When listed as "Recommended Age 13+", if the Scout is under the recommended age, it is suggested that the Scout have a conversation with their Scoutmaster or Summer Camp Coordinator prior to signing-up for that merit badge.
Partial Week Programs:	All programs meet Monday through Friday unless indicated otherwise next to the Merit Badge/Activity name. For example, Rowing meets on Monday, Tuesday, and Wednesday. There are numerous opportunities in the program schedule to match-up two partial week activities so that a Scout has a full week of activities during a particular hour.
Prerequisites:	Bolded numbers in the Notes and Prerequisites column correspond to the official BSA Merit Badge Requirements and are specific to each individual Merit Badge. The requirements associated with each Merit Badge can be found at www.scouting.org/skills/merit-badges/all/
Program Fees:	Camp is all-inclusive; there are no program/supply fees. This saves each Scout between \$30-\$60. Merit badge kits will be available in the program area where the merit badge is offered. For example, basketry kits will be available in Handicraft. Additional kits (beyond those provided) will be available in the Trading Post for purchase.
Electronic Schedule:	An electronic version of this schedule is available at www.ransburgbsa.org and will be the most current version of this document. Viewing of this schedule is best done printed in color ink or electronically on our website.
Selection & Registration:	The Troop Summer Camp Coordinator should register Scouts for merit badges and activities on the Scouting Event Registration website. It is recommended that Scouts pick a first and second choice for each program hour to make registration/scheduling simpler for the Troop's Camp Coordinator. Additional information for each program area can be found in the Camping Experience Guide available on our website. If you have any questions about registering or merit badge selection please reach out to the Crossroads of America Council office.
